ORDER

Plaintiffs' motion for extension of time to complete the Plaintiffs' fact sheets is **DENIED**. The Court warned Plaintiffs' counsel that moving forward with litigation would be retraumatizing, and counsel should have planned accordingly to complete the fact sheets on time.

Further, unless Plaintiffs break a law or an Order from this Court, they have a First Amendment right to speak about the case. If Defendant feels Plaintiffs' speech is *legally* inappropriate, it may file a well-supported motion.
